

SECURITY CHECKLIST

To aid in the goal of securing your property, Avid Locksmiths has developed a security checklist to ensure you make the most out of our service.

- Are your locks **latching** and **working smoothly**?
- Are all of your locks on the **same key**?
- Have you considered putting your locks on a **restricted master key system**, registered with Avid Locksmiths?
- Do you have keys for your **window locks**?
- Is your **letterbox secured** with a high-quality cylinder to protect against mail theft and fraud?
- Does your **garage** have a sufficient lock installed?
- Do you have a **fire-proof** and **theft-resistant safe** for jewellery, cash, and documents?
- Does your **insurance policy** have any requirements for **deadlocks** to be installed?
- Do you have **external gates** that require locking?
- Do you need **extra keys** cut?
